Community Cleanup Planned in Unincorporated Fontana

FONTANA - Residents who want to clean up around their homes before the holiday season can get rid of bulky items, yard clippings, televisions and other waste for free during a Community Cleanup in the California Speedway parking lot from 8 a.m. to noon on Saturday, Nov. 4.

San Bernardino County Code Enforcement and Solid Waste along with Second District Supervisor Paul Biane are hosting the cleanup.

"A lot of people have family and friends over for the holidays, and this Community Cleanup will give residents a convenient opportunity to tidy up around their homes and property long before those guests arrive," Biane said.

The Community Cleanup will once again feature [E-cyclers, Inc](http://www.e-cyclers.com/) <<http://www.e-cyclers.com/>>., an Upland company that specializes in recycling used electronic waste including televisions, computers, microwaves, telephones and stereos.

"The addition of E-cyclers has made our Community Cleanups even more popular because people don't know what to do with items such as old televisions and computer monitors that are no longer accepted at the landfill," Biane said.

Residents can enter the California Speedway at the Main Gate located at 9300 Cherry Ave. All tires must be removed from the rims, and tires cannot exceed 11-inches by 25.5-inches. Those who plan to bring 10 or more tires must make arrangements by Thursday, Nov. 2 by calling (909) 387-0289. The cleanup is restricted to residents in the unincorporated area of Fontana, and waste from any commercial venture is strictly prohibited from this event.

Hazardous materials such as paint, weed killer, and used motor oil will not be accepted. These items can be taken to the Rancho Cucamonga Fire Station on Saturdays between 8 a.m. and noon. The fire station is located at 12158 Baseline Road. Contact Supervisor Biane's office at (909) 945-4297 or Code Enforcement at (909) 387-4044 for more information. Please do not contact the California Speedway regarding this event.
